

Last week the Kentucky Historical Society hosted an all-virtual National History Day in Kentucky Regional Contest for students in the Morehead region and announced the winners on March 30. Over 30 students from 5 schools were eligible to compete. The students and their projects listed below qualified for the opportunity to compete at the National History Day in Kentucky State Contest in April.

Students presented their exhibits, documentaries, websites, performances, and papers featuring topics related to this year's national theme, "Breaking Barriers." Each student or group showed their project to a panel of judges who determined which projects would qualify for the NHDKy State Contest. The top 1/3 of projects in each category advances to the NHDKy State Contest. To find out more or to become involved in this program visit: www.nhd.org or www.history.ky.gov/nhdky.
